Keeping Families Together

Welcome to the real world!

Well, I want you to know that I have a new computer with Lotus on it and I guess you will learn right along with me. I may never find the part where I can actually print a mailing label so you may not receive your newsletter until some time in November.

Sunday is the annual AIDS Walk at the nature center. I trust you will all be there to cheer us on. This will be followed by our monthly PFLAG Meeting. I trust I will see you there also.

CALENDAR

- | | |
|--------------------|---|
| September 12, 1999 | Pueblo Aids Walk registration begins at 8:30 at the Nature Center. Be there to hear My song performed by Lori Vasquez. This will be the first, last and only time it will be performed in Colorado, or anywhere else for that matter. |
| September 12, 1999 | PFLAG monthly meeting at 110 Calla at 2:00 PM. Bring your own beverage. It is Roxannes turn to do the honors on refreshments (please call me, Roxanne to let me know if you are up to it.) |
| September 24, 1999 | Moonlight Cruise on the Prairie Princess. PA2 fundraiser. \$20.00. Call Ann at 566-3444 for reservations. |

You should know that I think we will be electing officers at the meeting this month, so you sure need to be there or we will vote without you and this is a democracy so you need to vote. We have a full slate of officers scheduled for this election. I also think dues are due next month, but I will send you a form. Just something to think about.

If you are interested in raffle tickets for the helmet or football signed by the illustrious John Elway then give me a call cause I have some that need to be sold. I would like to say that they are going fast, but that might not be quite true.

Well, I have been outwitted by this computer about all I can take for one night so I am out of here. Hope to do a better job next month.

See you Sunday, somewhere!

Love, Lou
